

## **Media Alert: The Next Phase of the Energy Transition: Empowering Hispanic Businesses**

**What:** 2024 United States Hispanic Chamber of Commerce [Energy Summit](#), in partnership with the Albuquerque Hispano Chamber of Commerce

**When:** June 25-26, 2024

**Where:** Eldorado Hotel & Spa, West San Francisco Street, Santa Fe, NM, 87501

**Why:** The summit aims to empower Hispanic businesses in the energy sector, highlighting their crucial role in one of the fastest-growing industries in the U.S. **With 63+ million** Hispanic Americans, the largest minority group, ensuring their equal participation in the future of energy will benefit the business community as a whole. The agenda features panels and workshops with leaders from key industries, and the USHCC's commitment to empowering Hispanic-owned businesses in energy.

**Who:** Industry leaders, policymakers, and entrepreneurs in the energy and Hispanic business sectors. [See confirmed speakers here.](#)
